

## ***Geothermal Energy Seminar Friday 28<sup>th</sup> June 2024***

### ***Call for Abstracts***

***Submission Date: Wednesday 15<sup>th</sup> May 2024***

SPWLA France invites you to submit an abstract to the one-day seminar (in-person) about **Geothermal Energy** hosted in Clamart (France) on June 28<sup>th</sup> 2024.

The topics for talks we are looking for should cover the following aspects:

**Transition from Oil & Gas  
Exploration and Screening  
Project Execution and Operations  
Maintenance, Monitoring and Intervention  
Geothermal Business/Economics**

Abstracts should be one page (400 words max) including a speaker bio (100 words max) and, optionally, an illustration.

Please send your abstracts to [france.spwla@gmail.com](mailto:france.spwla@gmail.com) by Wed 15<sup>th</sup> May.

This seminar is free to attend!  
Please forward to anyone who may be interested
